A BILL

INTITLED

An Ordinance to authorise the Union Insurance Society of Canton Limited to convert its silver capital into gold.

BE it enacted by the Governor of Hongkong, with the advice and consent of the Legislative Council thereof, as follows:—

1. This Ordinance may be cited as “The Union Insurance Society of Canton Limited (Capital Conversion) Ordinance, 1919”. Short title.
2. In this Ordinance “The Company” means the Union Insurance Society of Canton Limited. Interpretation.
3. The Company may at any time by special resolution convert into gold its silver capital as existing at the date of the confirmation of such special resolution and such conversion shall take effect upon such special resolution being confirmed. Any such conversion may be into such form of gold currency and at such rate of exchange and upon such terms and conditions as may be sanctioned by the special resolution effecting the conversion. Power to convert silver capital into gold.
4. Upon the filing of any such special resolution as is referred to in section 3 of this Ordinance the Registrar of Companies shall issue a fresh certificate of incorporation of the Company shewing the capital of the Company as effected by such conversion. Such fresh certificate shall take the place of the original certificate of incorporation of the Company and shall be the certificate of incorporation of the Company. Issue of fresh certificate of incorporation.
5. Nothing in this Ordinance shall affect or be deemed to affect the rights of His Majesty the King His Heirs and Successors or the rights of any body politic or corporate or of any other person except such as are mentioned in this Ordinance and those claiming by, from and under them. Saving of the rights of the Crown and of certain other rights.

Objects and Reasons.

The object of this Bill is to enable the Union Insurance Society of Canton Limited to convert its capital from silver into gold by a special resolution to that effect to be passed by the shareholders. The directors consider this desirable because the great bulk of the Company's business is carried out in countries where a gold currency prevails.

The fact that the Company does not carry on any life insurance business seems to make it unnecessary to provide for any special notice to policy holders.
