NOTICES TO MARINERS.

THE following telegram has been received from the War Office Emigration Agent, Tsingtau, in charge of returned coolies at that port and is published for general information :—

" Quarantine proclaimed against Hongkong. All ships arriving from there must fumigate before entering this port. Japanese Authorities have no facilities for fumigation here. Special arrangements have been made for coolie transports to enter this port from Hongkong provided there is no loading or unloading of cargo at Hongkong and no embarkation of passengers or workmen there, but only coal, water and provisions to be taken on board."
