

6. Each Permittee must construct such drains, channels and sand intercepting pits as may be necessary to carry off water flowing from the Quarry or Quarries; he will further be required to keep the drains, channels and intercepting pits free from sand and debris. In the event of the above works not being carried out to the satisfaction of the Director of Public Works, such works will be done by Government at the expense of the Permittee.

7. No Permittee will be allowed to store stone on Crown Land outside the boundaries of the Quarry or Quarries without permission from the Director of Public Works first having been obtained.

8. No Permittee will be allowed to remove any cut stone from a Quarry or Quarries after 31st December, 1920, unless he becomes the successful Lessee or Permittee for the right to quarry stone from the Quarry or Quarries for a further period.

9. Should any Permittee fail to comply with these conditions or any of them the sum deposited by him shall be forfeited to the Government and the tender or tenders made by him shall thereupon be deemed to be cancelled, and he shall be liable to make good any loss or damage which the Government may incur through his failure to comply with such conditions.

10. No rates will be charged on any of these Quarries.
