

LAND OFFICE.

No. S. 139.—It is hereby notified, with reference to Government Notifications Nos. 697 of 1909, 278 of 1911, S. 114 of 1918 and S. 261 of 1921 that the following Special Condition of sale is added to the Special Conditions contained in the aforesaid Notifications and will be referred to by the number given to it in this Notification:—

“No. S.—The lessee, his executors, administrators, or permitted assigns, shall not, except by way of mortgage, sell or otherwise dispose of or assign the lot in question or any part or interest therein without the previous consent in writing of the District Officer, unless and until the District Officer shall have issued a certificate to the effect that the building covenant, if any, has been fulfilled to his satisfaction or if there is no building covenant, that the lot has been developed to his satisfaction.”

F. EAVES,
Land Officer.

23rd May, 1924.

PUBLIC WORKS DEPARTMENT.

No. S. 140.—It is hereby notified that sealed tenders in triplicate, which should be clearly marked “Tender for Additions and alterations to the Cape D’Aguilar Wireless Station”, will be received at the Colonial Secretary’s Office until Noon of Tuesday, the 10th day of June, 1924, for:—

- (a.) The preparation of Site and the erection of a Bungalow for the Superintendent of Wireless at Cape D’Aguilar.
- (b.) The preparation of Site and the erection of a Workshop.
- (c.) All necessary renovations to the Old Lighthouse Quarters.

No work will be permitted on Sundays.

For Form of tender, specification and further particulars apply at this Office.

The Government does not bind itself to accept the lowest or any tender.

HAROLD T. CREASY,
Director of Public Works.

23rd May, 1924.

No. S. 141.

NOTICES TO MARINERS.

Two mooring buoys have been laid by the Naval Authorities in a position, 81° 1250 yards from the South-East extremity of Chung Hue. They are unlit.

At certain times a raft will be moored between the buoys and will exhibit lights, as for a vessel at anchor.

HONGKONG, 13th May, 1924.

Surveying beacons about 30 feet high carrying red and black flags will shortly be laid out on Meridian 104 degrees 35 minutes East between parallels 1 degree 30 minutes and 1 degree 47 minutes North. Beacons will not be lighted by night, H.M.S. *Iroquois* will be anchored about 8 miles to westward of beacons during dark hours and will show lights for telegraph ship working cable.

HONGKONG, 14th May, 1924.
