

LEGISLATIVE COUNCIL.

No. S. 216.—The following Bills were read a first time at a meeting of the Council held on the 31st July, 1924:—

C.S.O. 3041/24.

[No. 10:—4.7.24.—1.]

A B I L L

INTITULED

An Ordinance to amend the Piers Ordinance, 1899.

BE it enacted by the Governor of Hongkong, with the advice and consent of the Legislative Council thereof, as follows:—

Short title. 1. This Ordinance may be cited as the Piers Amendment Ordinance, 1924.

Amendment of Ordinance No. 11 of 1899, s. 4. 2. Section 4 of the Piers Ordinance, 1899, is repealed, and the following section is substituted therefor:—

Duration and revision of scale of rents. 4.—(1) The scale of rents specified in the Schedule shall continue in force until revised as hereinafter provided.

(2) It shall be lawful for the Legislative Council by resolution from time to time to revise the said scale of rents in any way whatsoever, and any such revised scale of rents shall continue in force for such period as may be specified in the said resolution: Provided that no such revised scale of rent shall be made to take effect before the 1st day of January, 1925, and that any such revised scale of rents brought into force after the 31st day of December, 1924, and before the 1st day of January, 1950, shall continue in force until the end of the year 1949.

Objects and Reasons.

The Piers Ordinance, 1899, contains in the Schedule a scale of pier rents. Section 4 of the Ordinance provides that the Governor in Council may revise this scale as from and after the 1st January, 1925. The section also provides that such revised scale shall be in force from the 1st January, 1925, to the end of the year 1949, after which date the scale shall be again subject to revision. One effect of this provision is that if the scale of rents is to be revised at all before the year 1950 it must be revised by the end of this year. It is, however, considered unnecessary to revise the scale at present. The object of this bill is to preserve the right to revise the scale and to keep it alive during the whole of the period between the end of this year and the end of the year 1949. In accordance with the policy declared in section 4 of the principal Ordinance, the bill proposes that any revised scale which may be adopted shall remain in force until the end of the year 1949.

J. H. KEMP,
Attorney General.

26th June, 1924.

Objects and Reasons.

1. The object of this Bill is to effect a large number of small amendments and incorporations which have been necessary in the preparation of the New Edition of the Ordinances of the Colony, and which, by s. 6 of Ordinance No. 18 of 1923, are required to be submitted to the Legislative Council in the form of an Ordinance.

2. Clauses 1 to 14 contain general provisions and amendments.

3. Clauses 15 to 55 provide for the incorporation of certain amending Ordinances with the Ordinances they amend in cases where such a course has been necessary.

4. Clauses 56 and 57 repeal such of the Ordinances in force as are no longer required.

5. The Schedule deals with all other amendments which have been found to be necessary in the preparation of the New Edition.

6. Generally speaking, it may be said that this Revision has not introduced new matter into the Law of the Colony but has been confined to the incorporation of the existing law, the repeal of spent legislation, the correction of obvious errors, the standardization of expression, and the removal of inconsistencies.
