PROPOSED TERMS OF THE SALE AND CROWN LEASE.

1. In consideration of agreed conditions and upon completion of the reclamation of the above lot to the satisfaction of the Director of Public Works, it is proposed to grant a Crown Lease of the whole area coloured red on the said plan and having a total area of about 8,740 square feet for the term of 75 years, commencing from the date of a letter from the Director of Public Works stating that the area is at the disposal of the lessee, renewable for a further term of 75 years at a re-assessed Crown Rent. will also specify the purpose for which the land is leased (*i.e.*, whether for the purpose of reclamation, building dwelling houses, factories, or godowns for the storing of coal or other goods, or whether for any other purpose) and shall contain a proviso that in the event of the lessee, his executors, administrators, and assigns, or successors and assigns (as the case may be) failing, at any time during the continuance of the term of the said Lease to use the demised land for the purpose so specified as aforesaid, without the previous licence or consent of His Majesty, His Heirs, Successors or Assigns, signified in writing by the Governor, then it shall be lawful for His Majesty, His Heirs, Successors or Assigns, by the Governor or by any officer authorised by him in writing, to re-enter on the land, foreshores and Sea beds included in and demised by such Lease or any portion thereof in the name of the whole, and thereupon the same shall be forfeited to and vest in the Crown; the Lease will also contain in particular a reservation to the Crown of all mines and minerals under the demised land. The Lease will also contain a proviso that the Lessee is to have the option of renewing the Lease for a further term of 75 years at a re-assessed Crown Rent to be fixed by the Surveyor of His Majesty the King.

3. The Lessee of the lot will also have to pay the sum of \$25 for boundary stones required to define the lot, and \$30 for the Crown Lease.

And notice is also given that if after the expiration of such period of one month the Governor in Council shall declare it to be expedient to grant a lease of the said lot, such lot will be leased, and that the Crown Lease of the lot shall be deemed to demise to the lessee the foreshores or Sea beds included in such lease free and discharged from all rights, privileges, profits-a-prendre, and easements, whether public or private, which may have existed or may be claimed in or over such foreshore and sea bed, so far as is necessary for carrying out the purpose for which the land is leased.
