 „ Wong Kee, 27, Hing Lung Street, Hong Kong.

Firms desirous of having their names added to any or all of the foregoing lists should make application to the Government Marine Surveyor, submitting plans of boats or buoyant apparatus, and in the case of lifejackets and lifebuoys, one sample jacket or buoy, for approval. Manufacturers of lifebuoys and lifejackets will be required to deposit one approved buoy or jacket made by them in the Government Marine Surveyor's Office as a standard of comparison for future appliances made to the same design.

Approval of the design of a lifesaving appliance is given subject to each appliance subsequently made to that design being inspected and passed by a Surveyor of this Department, during construction at the maker's works.

Specifications of approved lifesaving appliances may be had on application to the Government Marine Surveyor.

J. B. NEWILL,
Harbour Master, &c.

10th July, 1931.
