

HARBOUR DEPARTMENT.

No. S. 247.—It is hereby notified that sealed tenders in quintuplicate, which should be clearly marked "Tender for Repairs to S/L Police No. 4", will be received at the Colonial Secretary's Office until Noon of Friday, the 31st day of July, 1931.

A list of work may be obtained at the Government Marine Surveyor's Office.

The Government does not bind itself to accept the lowest or any tender.

The work to be carried out to the satisfaction of the Government Marine Surveyor.

G. F. HOLE,
Harbour Master, &c.

17th July, 1931.

HARBOUR DEPARTMENT.

No. S. 248.—It is hereby notified that sealed tenders, in quintuplicate which should be clearly marked "Tenders for Refuse Barge" and accompanied by the necessary plans and specifications, will be received at the Colonial Secretary's Office until Noon on the 3rd August, 1931, for the construction of one wooden Refuse Barge for the Sanitary Department.

The tender to include full equipment fit and ready for use, and to state the time in which the vessel will be completed.

Offers of suitable second-hand barges will also be considered.

The Government does not bind itself to accept the lowest or any tender.

A rough draft specification, and further particulars may be obtained from the Government Marine Surveyor, to whose entire satisfaction the vessel is to be built.

G. F. HOLE,
Harbour Master, &c.

13th July, 1931.

HARBOUR DEPARTMENT.

No. S. 249.—It is hereby notified that sealed tenders in quintuplicate which should be clearly marked "Tenders for Refuse Junk" and accompanied by the necessary plans and specifications will be received at the Colonial Secretary's Office until Noon on the 3rd day of August, 1931, for the construction of one wooden Refuse Junk for the Sanitary Department.

The tender to include full equipment fit and ready for use and to state the time in which the vessel will be completed.

Offers of suitable second-hand junks will also be considered.

The Government does not bind itself to accept the lowest or any tender.

A rough draft specification and further particulars may be obtained from the Government Marine Surveyor, to whose entire satisfaction the vessel is to be built.

G. F. HOLE,
Harbour Master, &c.

13th July, 1931.
