His Excellency read to the Council certain Despatches from His Grace the DUKE OF NEWCASTLE, with Enclosures being Copies of a Correspondence which had passed between SIR HERCULES ROBINSON, His Grace's Department, and the Lords Commissioners of the Treasury, respecting the establishment of a Mint at Hongkong for the coinage of British Dollars.

Despatch No. 160 of the 25th August, 1863, being an answer from the ACTING GOVERNOR to these Despatches, was next communicated to the Council.

And as a matter connected with the subject of the foregoing Papers, His Excellency read in continuation His Grace's Despatch No. 115 of 15th September last, announcing that the sum of £20,000 per annum for five years commencing from 1st January, 1865, would be charged upon the Revenues of this Colony in aid of the Military Expenditure upon it—together with his acknowledgment of the same, made in Despatch No. 199 of the 10th ultimo.
