No. 47.

GOVERNMENT NOTIFICATION.

The following Notices to Mariners, received from the Admiralty, are published for general information.

By Command,

J. GARDINER AUSTIN,
Colonial Secretary.

Colonial Secretary's Office, Hongkong, 13th March, 1874.

The substance of this Notice, as soon as it is received on board, is to be inserted in red ink on the Charts affected by it; and introduced into the margin, or otherwise in the page, of the Sailing Directions to which it relates. See Instructions, Navigation and Pilotage, p. 172.

NOTICE TO MARINERS.

[No. 133.]

CHINA—HONGKONG.

Sunken Rock in the Capsingmoon Passage.

Information has been received of the discovery of a sunken rock off Lantao, in the Capsingmoon passage, Hongkong.

This danger (*Passage rock*) has not more than one foot water on it at low water springs, and is only about 10 yards in circumference; from it,

The summit of Green island bears S.E. easterly.
 South extreme of Chunghae island in line with Chunghae rock E. $\frac{2}{3}$ N.
 South-east extreme of Lantao W. by S. $\frac{1}{2}$ S. 8 cables.
 Victoria Peak S.E. by E.
