No. 177.

GOVERNMENT NOTIFICATION.

The following Annual Report of the Harbour Master, with Returns annexed, for the Year 1878, is published for general information.

By Command,

FREDERICK STEWART,
Acting Colonial Secretary.

Colonial Secretary's Office, Hongkong, 5th August, 1879.

[No. 58.]

HARBOUR DEPARTMENT,
HONGKONG, 6th March, 1879.

SIR,—I have the honour to forward the Annual Returns of this Department, connected with the Trade, &c. of the Colony, for the year ending the 31st December, 1878.

- I. Number, Tonnage and Crews of Vessels *entered*.
- II. Number, Tonnage and Crews of Vessels *cleared*.
- III. Number, Tonnage and Crews of Vessels of each Nation *entered*.
- IV. Number, Tonnage and Crews of Vessels of each Nation *cleared*.
- V. Total Number, Tonnage and Crews of Vessels *entered* at each Port.
- VI. Total Number, Tonnage and Crews of Vessels *cleared* at each Port.
- VII. Return of Junks *entered* from Macao.
- VIII. Return of Junks *cleared* for Macao.
- IX. Return of Junks *entered* at each Port from China and Formosa.
- X. Return of Junks *cleared* at each Port for China and Formosa.
- XI. Gross Total Number of Junks *entered* at each Port.
- XII. Gross Total Number of Junks *cleared* at each Port.
- XIII. Return of Junks (Local Trade) *entered*.
- XIV. Return of Junks (Local Trade) *cleared*.
- XV. Summary of *Arrivals* and *Departures* of all Vessels, and of all Chinese Passengers.
- XVI. Return of Vessels *registered*.
- XVII. Return of Vessels *struck off* the Register.
- XVIII. Amount of Fees received under Ordinance No. 10 of 1860, (Imperial Registry).
- XIX. Return of Chinese Passenger Ships cleared by the Emigration Officer.
- XX. Return of Vessels bringing Chinese Passengers to Hongkong from Places out of China.
- XXI. Return of Marine Cases tried.
- XXII. Diagram of Tonnage of Vessels *entered*.

SHIPPING.

2. This year's report of the Trade of the Colony compares favourably with that of 1877.

3. During the year just past 3,057 vessels, exclusive of junks, measuring 2,591,172 tons were entered at this Office; this is an increase on 1877 of 188 vessels and 145,417 tons.

4. Of the 3,057 vessels above mentioned, 2,169 with a tonnage of 1,923,263 tons, or 70.95 per cent. of vessels and 74.23 per cent. of tonnage, were British; the remaining 29.05 per cent. of vessels and 25.77 per cent. of tons are divided among the other Nationalities in the following proportions:—Germany, 367 vessels with a tonnage of 209,204 tons, or 12.01 per cent. of vessels and 8.07 per cent. of tons; France, 146 vessels with a tonnage of 177,156 tons, or 4.77 per cent. of vessels and 6.83 per cent. of tons; America, 107 vessels with a tonnage of 115,218 tons, or 3.50 per cent. of vessels and 4.45 per cent. of tons; China, 76 vessels with a tonnage of 63,742 tons, or 2.49 per cent. of vessels and 2.46 per cent. of tons; Spain, 76 vessels with a tonnage of 29,290 tons, or 2.49 per cent. of vessels and 1.13 per cent. of tons; Siam, 44 vessels with a tonnage of 22,829 tons, or 1.44 per cent. of vessels and 0.89 per cent. of tons; Denmark, 25 vessels with a tonnage of 15,616 tons, or 0.82 per cent. of vessels and 0.60 per cent. of tons; and Holland, 19 vessels with a tonnage of 15,965 tons, or 0.62 per cent. of vessels and 0.61 per cent. of tons.

The remaining 28 vessels representing 18,889 tons, or 0.91 per cent. of vessels and 0.73 per cent. of tons, are composed of 7 Italian with a tonnage of 4,827 tons; 7 Norwegian with a tonnage of 4,519 tons; 5 Swedish with a tonnage of 2,007 tons; 3 Portuguese with a tonnage of 1,664 tons; 2 Austrian with a tonnage of 2,303 tons; and one each of Belgian, Burmese, Nicaraguan and Russian with an aggregate tonnage of 3,569 tons; the Belgian vessel which represents 2,297 of the 3,569 tons is the "Perusia," really a British vessel, for a time under the Belgian flag.

5. The Steam trade of the Colony is represented by 2,326 vessels with a tonnage of 2,136,832 tons; the Sailing vessels, exclusive of junks, number 731 with a tonnage of 454,340 tons. Of the 2,326 Steam vessels, 1,922 with a tonnage of 1,715,895 tons, or 82.63 per cent. of vessels and 80.30 per cent. of tonnage, were British; the balance of the Steam trade being made up by the different Nationalities in the following proportions:—Germany, 148 vessels with a tonnage of 123,078 tons, or 6.36 per cent. of vessels and 5.75 per cent. of tons; France, 78 vessels with a tonnage of 149,891 tons, or 3.35 per cent. of vessels and 7.02 per cent. of tons; China, 76 vessels with a tonnage of 63,742 tons, or 3.27 per cent. of vessels and 2.98 per cent. of tons; Spain, 59 vessels with a tonnage of 24,040 tons, or 2.54 per cent. of vessels and 1.12 per cent. of tons; Denmark, 17 vessels with a tonnage of 12,904 tons, or 0.73 per cent. of vessels and 0.61 per cent. of tons; America, 12 vessels with a tonnage of 32,219 tons, or 0.52 per cent. of vessels and 1.51 per cent. of tons.

The remaining 14 Steam vessels representing 15,063 tons, or 0.60 per cent. of vessels and 0.71 per cent. of tons, are represented by 9 Dutch with a tonnage of 9,642 tons; 3 Norwegian with a tonnage of 2,715 tons, and one each of Belgian and Burmese, the former (the "Perusia") of 2,297 tons and the latter of 409 tons.

6. Seven hundred and thirty-one Sailing vessels, exclusive of junks, measuring 454,340 tons, entered at this Office during 1878; this is a decrease of 29 vessels and 9,292 tons on the previous year. Of the 731 vessels, 247 with a tonnage of 207,368 tons, or 33.79 per cent. of vessels and 45.64 per cent. of tons, were British.

7. The grand total of arrivals in the Colony *including* junks, but exclusive of Local Trade, is 28,779 vessels of 4,352,668 tons; this is a decrease of 590 in the number of vessels, but an increase in the tonnage by 108,125 tons.

The Summary (Return XV) shows that 66,820 vessels, measuring 8,982,593 tons, have entered and cleared at this Office during 1878; this is a decrease on 1877 of 1,131 vessels, but an increase in tonnage of 388,245 tons.

8. The trade between this port and the Colonies of Australia and New Zealand shows a decrease on 1877 of 9 British vessels and of 8,443 tons, and a decrease of 5 Foreign vessels with an increase of 161 tons.

9. The trade with Great Britain shows a decrease in British bottoms of 17 vessels and 6,524 tons, and in Foreign bottoms of 3 vessels and 2,352 tons.

10. This year the trade between Hongkong and Cochin-China has been divided under two heads; namely, between Hongkong and Cochin China, which means Saigon, Turon, Quinhon, &c., and between Hongkong and Ports in Hainan and the Gulf of Tonquin, as this is the first year this trade has been so divided it is difficult to tell whether there has been an increase or decrease under the separate heads, but taken collectively there has been, as compared with the year 1877, an increase of 10 vessels and 9,801 tons.

11. There has been a considerable increase in the trade between this port and India and Singapore as well as with Japan. The increase with Japan is represented by 49 vessels and 52,739 tons, and between this port and India and Singapore by 18 vessels and 6,009 tons.

JUNK TRADE.

12. During 1878 this trade has decreased in Arrivals and Departures by 1,561 vessels and 69,296 tons there has also been a decrease of 8,304 in the number of the crews as well as 14,368 in the number of passengers carried; this is inclusive of the Local Trade.

13. The principal decrease is between Hongkong and the Coast of China and Formosa, which amounts to 1,165 vessels and 58,512 tons, the decrease in the numbers of crews and passengers is 6,656 and 9,641 respectively.

14. The Local Trade has also decreased in the numbers of vessels and passengers, but the tonnage has increased by 4,685 tons and the crews by 2,441.

EMIGRATION.

15. The number of Chinese Emigrants leaving this port during the year 1878 was 38,653 as compared with 39,741 during 1877, showing a decrease of 1,088.

16. The number despatched to Cooktown during 1878 amounted to 51; this is a decrease on 1877 of 6,014, caused presumably by the Poll tax of £10 imposed on every Chinese landing there. There is an increase however of 1,715 on the number embarked for Port Darwin. I understand that many of these find their way to other parts of the country overland and thus evade the tax.

17. The number of Emigrants proceeding to San Francisco shows a decrease of 3,222; this was to be expected in consequence of the opposition shewn by the State of California.

18. To make up for the decrease in the number of Emigrants proceeding to Cooktown and San Francisco, the Straits Settlements have taken 5,601, Sydney 1,367, Melbourne 285, and Dunedin 224 more than in 1877.

19. Emigration was again opened during 1878 to British Guiana. The British barque *Dartmouth* left on the 23rd of December taking 506 passengers; this number included 47 women and 23 children.

20. The total number of passengers returning to the Colony amounted during 1878 to 47,882; this is in excess of the number leaving by 9,229; the number returning from the Straits Settlements alone amounted to 29,775, which was in excess of those going there by 9,145.

REGISTRY OF SHIPPING.

21. Five vessels have been registered at this port during 1878; four were vessels built here, the fifth was transferred from Halifax, N.S. The Registers of seven vessels were, for various reasons, cancelled during the same period.

The amount of Fees collected under this heading was \$372.00.

MARINE MAGISTRATE'S COURT.

22. One hundred and ninety-nine Cases were tried at this Court, two only were of a serious nature, namely, those of two junks which left the Harbour without a Clearance, and were forfeited to the Crown.

EXAMINATIONS FOR THE POSTS OF MASTERS AND MATES UNDER ORDINANCE No. 17 OF 1860.

23. There were 46 applicants, of whom 29 obtained Certificates of Competency, and 17 failed.

MARINE COURTS, UNDER ORDINANCE No. 11 OF 1860.

24. The following Courts have been held during the year:—

1. On the 27th June, 1878, inquiry as to the loss of the British barque *Knight of Snowdown*, Official No. 51,022, on a reef (marked on the Chart by which the Master was navigating) about four miles to the Northward and Westward of Cape Santiago in the Island of Luzon, Philippine Group. The Master's (CHARLES RICHARDSON) and First Mate's (ALEXANDER THOMSON) Certificates of Competency were suspended for three months, respectively.

2. On the 31st July, 1878, inquiry as to the loss of the British barque *Lord of the Isles*, Official No. 51,051, on a rock (according to the Master's statement) about 300 yards from the North-east point of Andres Island, Naranjos Group, Philippine Islands. The Master (JOHN FRANCIS PIPER) was censured for committing an error of judgment.

3. On the 29th November, 1878, inquiry as to the Misconduct of the Master (WILLIAM LACON BRYDE) of the British ship *Napier*, Official No. 59,846. The Master was severely reprimanded.

SEAMEN.

25. Seven thousand eight hundred and ninety-two seamen have been shipped, and 8,146 seamen have been discharged at the Shipping Office of this Department. Of the difference, 254, most of the men have left the Colony without being regularly shipped.

I have the honour to be,

Sir,

Your most obedient Servant,

J. P. McEuen,
Acting Harbour Master, &c.

The Honourable W. H. MARSH,
Colonial Secretary,
&c., &c., &c.
