VOTES OF MONEY REFERRED TO THE FINANCE COMMITTEE.—Read the following Minute by His Excellency the Officer Administering the Government:—

The Officer Administering the Government recommends the Council to vote the following sums:—

W. H. MARSH.

For an Assistant in the Money Order Office at a salary of \$40 per month, from 1st June,	\$ 240.00
Increase to the salary of two Chinese Postmen at Amoy at \$1 each per month, from 1st June,	12.00
	<u>\$ 252.00</u>

On these two points the Postmaster General reports as follows:—

"It is my duty again to submit the item of \$480 per annum for an Assistant in the Money Order Office, and to say that this is indispensably necessary in the present state of the Department. The only result of the rejection of this vote last year has been that the work has been performed gratuitously, but performed it has to be, and of course it will not be done gratis for ever.

"We are now carrying on Money Order relations practically with all the world. The work has enormously increased, and is more than one Officer can reasonably be expected to attend to. I have recently had my attention unpleasantly called by other Offices to arrears in our Money Order work, but I am satisfied that the Superintendent of the Office has been working even beyond his strength to keep everything up to date. Should his health break down there is absolutely nobody to carry on the duties. He cannot go away for a single day, hardly for an hour. This state of things will lead to a discreditable block and an outcry from the public unless proper assistance can be provided.

"The only other increase I have to suggest is that of \$1 a month to each of two deserving Chinese at Amoy. Their present pay is only \$6 a month and they are long-service men who cannot be done without. I know that the Agent at Amoy has been supplementing their salaries from his own funds, a state of things which speaks for itself."

Government House, Hongkong, 4th May, 1886.

The Acting Colonial Secretary moved that these votes be referred to the Finance Committee.

The Colonial Treasurer seconded.

Question—put and passed.
