VOTE OF MONEY REFERRED TO THE FINANCE COMMITTEE.—Read the following Minute by His Excellency the Officer Administering the Government:—

W. H. MARSH.

C.S.O.  
696 of 1887.

Chinese correspondence having increased very much of late, especially registered letters from America, the duties of the Senior Postman, who has to distribute all registered letters and obtain signatures to receipts, are now more than one man can accomplish in the course of a day.

The Officer Administering the Government, on the representation of the Postmaster General, recommends the Council to vote a sum of \$80 to meet the salary of another Postman at the rate of \$10 per month from 1st of April next.

Government House, Hongkong, 22nd March, 1887.

The Acting Colonial Secretary moved that this vote be referred to the Finance Committee.

The Treasurer seconded.

Question—put and passed.

PAPER.—The Acting Colonial Secretary, by direction of His Excellency the Officer Administering the Government, laid upon the table the following paper:—

Correspondence in connection with the proposed Loan. (No. 17).

PETITIONS.—The Acting Colonial Secretary said that the Clerk of Councils had received two Petitions, and moved that they be read.

The following Petitions were then read by the Clerk of Councils:—

(1.)

TO HIS EXCELLENCY THE PRESIDENT, AND THE HONOURABLE MEMBERS OF  
THE LEGISLATIVE COUNCIL OF HONGKONG.

The humble petition of Shellim Ezekiel Shellim, of the firm of David Sassoon, Sons & Co., Jacob Silas Moses, of the firm of E. D. Sassoon & Co., Ruttonjee Dadabhoy Tata, of the firm of Tata & Co., Marcus David Ezekiel, of the firm of Abraham, Ezekiel & Co., Mahomedbhoy Khetsey, of the firm of Tharia Topan, Jafferbhoy Khetsey, of the firm of Jairazbhoy Peerbhoy & Co., and Hormusjee Meherwanjee Mehta, of the firm of Framjee Hormusjee & Co., all of Victoria in the Colony of Hongkong, for and on behalf of the Opium Importers and wholesale Opium Merchants of the said Colony.

SHEWETH,—That at a recent Meeting of the Opium Importers and wholesale Opium Merchants of this Colony, held for the purpose of considering the Bill now before your Honourable Council, entitled *An Ordinance for the better regulating of the trade in Opium*, it was *inter alia* resolved that the said Bill, if passed in its present form, would prejudicially affect their trade, and that your petitioners should be appointed a Committee to take such measures as they might consider advisable to bring their complaints before your Honourable Council.

That while fully recognizing the necessity of carrying out the object aimed at by the said Bill, namely, the prevention of Opium smuggling into China, and while sympathizing with its spirit, your petitioners submit that the means by which it is proposed to effectuate such object would inflict serious injury upon the Opium trade, and especially on the aforesaid Opium Importers and wholesale and retail Opium dealers, and prove a blow to the general commerce and prosperity of this Colony.

That your petitioners believe that the ends intended to be accomplished by the said Bill could be attained by other and less objectionable means, and that your petitioners are prepared to co-operate with your Honourable Council and the Executive in attaining the desired object.

That inasmuch as the Bill affects private interests, and was only brought in and read a first time on Friday, the 18th instant, it is desirable to postpone the second reading thereof so as to enable the persons who are more immediately interested, as well as the general public, to acquaint themselves with its scope and object.

Your petitioners therefore humbly pray

- 1.—That the second reading of the said Bill may be postponed until such day as your Honourable Council may under the circumstances deem meet.
- 2.—That your petitioners may be heard by Counsel at the bar of your Honourable Council as to their objections to the said Bill in its present form.
- 3.—That the said Bill may be so amended or modified as to remove the objections of your petitioners, or that it may be withdrawn and a fresh Bill introduced such as the necessity of the case requires.

And your petitioners will ever pray, &c.

S. E. SHELLIM.  
J. S. MOSES.  
R. D. TATA.  
M. D. EZEKIEL.

Hongkong, 22nd March, 1887.

(2.)

TO THE HONOURABLE  
THE LEGISLATIVE COUNCIL OF HONGKONG.

The humble petition of the undersigned merchants and traders resident in Hongkong. Respectfully sheweth:—

- 1.—Your petitioners are dealers in Opium residing and carrying on business in Hongkong.

2.—At the meeting of your Honourable Council held on Friday, the 18th March instant, a Bill was introduced and read a first time entitled *An Ordinance for the better regulating of the trade in Opium*, and the said bill is framed for the purpose of regulating the movement of Raw Opium in this Colony and of prohibiting the purchase or sale of Raw Opium in quantities less than one chest.

3.—Your petitioners deal largely in Raw Opium, buying and selling it in quantities less than one chest, and have a large capital engaged in the said business, and they employ in their said business many hundreds of persons.

4.—If the said Bill becomes law in its present form the business hitherto carried on by your petitioners will absolutely cease and can no more be carried on the capital therein employed will be idle, the hundreds of persons now occupied in the said business will be thrown out of employment, and your petitioners will all of them suffer grievous loss and injury, and some of them will be irretrievably ruined.

5.—Your petitioners respectfully submit that the objects proposed to be attained by the said Bill may be far more effectually carried out by means other than those contained in the said Bill, and without loss or injury to any class of the community; and they therefore humbly pray that on the second reading of the said Bill they may be heard by their Counsel against the said Bill, under the provisions of the 47th of the Standing Orders and Rules of this Honourable Council, and that they may have due notice of such second reading.
