15. The fares to be charged for public vehicles shall be such sums as the Captain Superintendent of Police shall, by a table of fares to be set up in some conspicuous place in his office, from time to time direct, and a copy thereof shall be inserted in every licence to be granted under these Rules and it shall be also affixed in a conspicuous place on every such vehicle. Such table of fares, or any alteration of the same, shall, before the same shall come into operation, be approved by the Governor in Council.

23.
