## GOVERNMENT NOTIFICATION.—No. 302.

The following Despatch is published for general information.  
By Command,

FREDERICK STEWART,  
*Colonial Secretary.*

Colonial Secretary's Office, Hongkong, 6th July, 1889.

HONGKONG.  
No. 105.

DOWNING STREET,  
16th May, 1889.

SIR,—My attention has been drawn to the fact that certain Government Scholars from one of the Colonies, who are studying law, have not joined any regular educational institution, but have merely entered one of the Inns of Court. Hitherto, the authorities of the Inns have furnished the necessary certificates of good conduct and diligence enabling the Scholars to draw their quarterly payments, but the Under-Treasurer of the Middle Temple now states that there is no Officer of that Society who can do more than certify that a Student has duly kept terms.

I am of opinion that entering one of the Inns of Court and keeping terms is not a sufficient compliance with the conditions under which such Scholarships are held, and I have accordingly caused the Crown Agents for the Colonies to be instructed to inform any Scholars coming from the Colony under your administration who may have simply joined an Inn of Court and kept terms, that they must also enter some Teaching Institution (such, for instance, as King's or University College), some Officer of which can certify periodically to their good conduct and proficiency in study; but that in the meantime the instalments of the Scholarships now due may be paid on certificates that the Scholars have attended at least two sets of lectures provided by the Council of Legal Education at the Inns of Court.

I have &c.,

(Signed), KNUTSFORD.

Governor

Sir G. WILLIAM DES VŒUX, K.C.M.G.,
