Mr. FRANCIS moved,—

*That the Sanitary Surveyor be directed to approve of the second set of plans submitted by Messrs. Bird and Palmer, if he is satisfied there is no Sanitary objection to them.*

Dr. HO KAI seconded.

Question—put and passed.

The President voted against the motion.

The Secretary was directed to communicate to Messrs. BIRD and PALMER that the Sanitary Surveyor has been instructed to approve of the second set of plans submitted, if he is satisfied there is no sanitary objection to them, but that the Board has no authority to authorise any connection with the Government drains. Permission for that purpose must be obtained from the Surveyor General.

A letter from Messrs. DANBY and LEIGH was then read.

Mr. EDE moved,—

*That the whole of the correspondence be circulated to the members of the Board and that Messrs. Danby and Leigh's request to be invited to attend and be heard be complied with.*

Mr. FRANCIS seconded.

Question—put and passed.

**Sanitary Contracts.**—The Committee considering the conditions of these contracts submitted a set of conditions for the Cattle Manure Contract. These conditions were read and, subject to a slight verbal amendment, agreed to.

**Adjournment.**—The Board then adjourned until Wednesday, the 28th August, 1889.
