2. Licences for public vehicles and licences for drivers, drawers or bearers of such vehicles shall be issued by the Captain Superintendent of Police, who may, in his discretion, refuse to issue any licence. No licences shall be issued for more than 600 jinrickshas, within the island of Hongkong. 3. Licences for jinrickshas licensed for the City of Victoria shall be issued annually and shall be chargeable with a fee of \$72 per licence. Such fee shall be payable in advance by four equal instalments of \$18 each per quarter, and in default of any such payment the licence shall be forfeited.

4. The fees for half-yearly Licences for other public vehicles shall be as follows:—

- | | |

The drawer of a jinricksha licensed for Victoria shall not ply for hire outside of the City of Victoria, and the drawer of a jinricksha licensed for a district other than the City of Victoria shall not ply for hire within the City of Victoria. But this rule shall not be deemed to prohibit any drawer of a jinricksha licensed under these Regulations from taking passengers on the return journey to or from the said City of Victoria.

6. No licence shall be transferable, except upon such special grounds as may be approved by the Captain Superintendent of Police and sanctioned by the Governor.

7. No holder of a licence for a vehicle shall let out his vehicle to any driver, drawer or bearer not being the holder of a lawful licence as driver, drawer or bearer.

11. For each jinricksha there shall be two licensed drawers, who need not, however, both be in charge of the vehicle at the same time.

14. The Captain Superintendent of Police may require the licensee of any vehicle to provide, and attach to such vehicle, in such manner and in such place as the Captain Superintendent of Police may direct, a list of the authorised fares for such vehicle, of such material and pattern as the Captain Superintendent of Police may direct, and may also require the driver, drawer or bearer of any vehicle to carry a list of fares to be charged in such form as he may prescribe.

15. The Captain Superintendent of Police may refuse a licence in respect of any vehicle which in his opinion is not as to repairs or cleanliness in a state fit for public use, or for any misconduct on the part of the licensee, owner, driver, drawer or bearer. If a licence has been granted he may, for either of the above-mentioned reasons, withdraw the same and cause it to be forfeited.

16. The Captain Superintendent of Police may refuse a licence in respect of any driver, drawer or bearer who in his opinion is improperly clothed, and may cancel the licence of a licensed drawer, driver or bearer who is convicted before the Magistrate of a breach of any of these regulations.

18. The fares to be charged for public vehicles shall be the sums mentioned in the table of fares hereinafter mentioned; such table of fares shall be set up in some conspicuous place at the different Police Stations in the Colony and at such other places as the Captain Superintendent of Police may from time to time direct, and a copy thereof shall be inserted in every licence to be granted under these Rules, and it shall be also affixed in a conspicuous place on every such vehicle. Such table of fares may be altered, varied or revoked by the Captain Superintendent of Police; but any alteration, variation or revocation thereof, shall, before the same shall come into operation, be approved by the Governor-in-Council.

26. All property left in any vehicle shall be taken forthwith to the nearest Police Station and handed over to the Police authorities, who shall cause the goods to be publicly advertised in such manner as the Captain Superintendent of Police may direct, and, if claimed, the same shall be handed over to the owner claiming it, subject to a deduction of five per cent. on the value (to be given to the driver, drawer or bearer bringing the same to the Police) to be ascertained in case of difference by the Captain Superintendent of Police; and if the same shall be unclaimed at the expiration of three months from the date of the loss, the Captain Superintendent shall, as soon thereafter as conveniently may be, cause the said goods to be sold in such manner as he shall think best, and the Captain Superintendent shall deduct out of the proceeds of each sale a sum equivalent to five per cent. on the proceeds of the sale of such goods, and shall pay the amount to the driver, drawer or bearer who shall have brought the said goods to the Police Station and, subject thereto, the said proceeds shall be paid into the Treasury.

27. The persistent solicitation of passengers and the obstruction to the free transit of passengers, especially at hotels, or the wharves, or other landing places, is hereby prohibited. No vehicle shall take up any position or place in the public streets or thoroughfares not authorised or sanctioned by the Police.
