

## GOVERNMENT NOTIFICATION.—No. 334.

Notice is hereby given, under the provisions of Section 15 of The New Territories Land Court Ordinance, 1900, that His Excellency the Governor has fixed the 15th day of July, 1901, as the date after which all persons in occupation of land in the district hereunder specified, to wit, Survey District No. VI, the boundaries of which are hereunder specified, shall be deemed trespassers as against the Crown, unless such occupation is authorized by grant from the Crown or by other title allowed by the Court under the said Ordinance or by licence from the Governor or from some Government Officer having authority to grant such licence, or unless a claim to be entitled to such occupation has been duly presented to the Court and has not been withdrawn or heard and disallowed.

*Boundaries of Survey District No. VI.*

The North boundary starts from a boundary mark on the West shore of Plover Cove, following the ridge of the Pat Sin Leng in a westerly direction as far as the New Territory Survey Cairn on the summit of the highest peak in the range; thence it proceeds in a straight line to the point where the hill road from Sha Lo Tung to Wan Shan Ha crosses the crest of the hill; thence to top of the Wan Shan Ha Gap and includes the cultivation at the head of the stream running from the Sha Lo Tung plateau to the Kwai Tan Leng valley, but omits the cultivation in the Wong Shan Ha valley; from the top of the Gap it proceeds North to the top of the Pui-fu-leng; thence follows the western ridge of the Pui-fu-leng as far as a boundary mark in the valley, thence to a boundary mark on the Sam Chun Road; thence running West and South-West it follows the ridge that forms the Northern boundary of the Tsoi Hang and Lam Ts'un valley as far as the Pat Heung Gap.

The south-western and southern boundary runs from the Pat Heung Gap to the top of the outstanding peak on the South known as K'un Yam Shan; thence follows the hill ridge to the top of Tai Mo Shan; thence East to the top of the Un Lu Gap; and East again to the top of the Sz Fong Shan otherwise P'ung Shan Ting; and thence follows the ridge to the summit of the Ki Shan. It then proceeds along the eastern ridge to the Ma Niu Shui Waterfall.

The Eastern boundary is an imaginary line between the boundary mark on the shore of Plover Cove and the Ma Niu Shui Waterfall, deflected so as to include the islands between Tai Mi Tuk and Kwai Sha.

Government Notification No. 255 of the 27th April, 1901, is hereby cancelled.
