

No. 268.

Additional Regulations made by the Officer Administering the Government-in-Council under Section 6 (h) of the Pharmacy Ordinance, 1908, as amended by Section 15 of the Pharmacy Amendment Ordinance, 1910, this 29th day of August, 1910.

1. No person, other than a licensee under Section 6 (f) of the Pharmacy Ordinance, 1908, may have in his possession, custody or power a greater quantity than twelve official doses of any of the poisons mentioned in the Schedule to the Pharmacy Amendment Ordinance, 1910: Provided that the persons enumerated in Section 11 sub-sections 3 (a), (b), (c) and (d) of the Pharmacy Ordinance, 1908, may have in their possession a quantity reasonably required for their practice and provided that "registered persons" as defined by Section 2 thereof may have in their possession a quantity reasonably required for retailing, dispensing or compounding but which quantity in the case of "registered persons" shall not at any one time exceed five pounds in weight of any such poison, except with the permission in writing of the Principal Civil Medical Officer.

2. Except to the persons enumerated in Section 11 sub-sections 3 (a), (b), (c) and (d) of the Pharmacy Ordinance, 1908, no "registered persons" as defined as aforesaid shall supply to any person any of the poisons mentioned in the said Schedule in any quantity exceeding twelve official doses without the permission in writing of the Principal Civil Medical Officer.

3. Where any of the poisons mentioned in the said Schedule is imported into the Colony no person shall apply for or take delivery of the poison so imported unless he has first truly declared before the Superintendent of Imports and Exports the nature and quantity of the poison so imported.

4. No person shall import into or export out of the Colony any of the poisons mentioned in the said Schedule unless the outer case or covering in which the said poison is contained is legibly and distinctly marked with the word "Poison" and the name or names of the poison or poisons contained therein.

5. For the purpose of these Regulations "Official Dose" means a quantity equal to the maximum safe dose according to the British Pharmacopœia, British Pharmaceutical Codex, or "Extra" Pharmacopœia.
