LEGISLATIVE COUNCIL.

No. 165.—The Honourable Mr. H. E. POLLOCK, K.C., gave notice, on the 9th March, 1920, of the following question:—

“What steps is the Government taking to ensure the more regular delivery in future of Mails from Great Britain to Hongkong, *via* Suez?”

The reply thereto is as follows :—

“The inconvenience cannot be remedied by any action of this Government as it is due to the abnormal shipping conditions at the present time. The Postal Authorities in London endeavour to send the mails by the quickest route available and the recent exceptional delays in the delivery of certain mails were due to the delay and diversion of vessels of the Ocean Steamship Company for purposes which were not known to the Postal Authorities at the time when the mails were put on board.

It has now been arranged that all mails will be despatched by the Indian mail, that is by the weekly service *via* Marseilles, Bombay and Negapatam and it is hoped that this arrangement will prove more satisfactory.”

Clerk of Councils.
