## No. 475.

*Regulations made by the Captain Superintendent of Police with the approval of the Governor in Council under section 19 of the Police Force Ordinance, 1900, Ordinance No. 11 of 1900, this 17th day of November, 1921.*

1. In all cases when a subordinate officer or constable of the Police Force is absent from duty on account of an injury or sickness received or incurred in the performance of duty, he shall be entitled to free medical treatment in hospital and no stoppages of any kind shall be made from his pay or allowances other than those granted to compensate for expenses incurred while on duty, so long as he is certified by a Government Medical Officer to be unfit for duty on account of the injury or sickness so received or incurred.

2. When the sickness of a subordinate officer or constable is caused by intemperance or is certified by a Government Medical Officer to be due to venereal disease which has become aggravated by concealment, or to sickness or injury which is purposely self inflicted, he shall be provided with medical attendance, medical comforts, diet and accommodation to hospital free, but his pay shall be stopped for so long as he is absent from duty.

3. In cases of sickness other than as stated above, all subordinate officers and constables of the Police Force may receive sick leave for 28 days on full pay in any period of twelve consecutive months, so long as they remain in hospital or are convalescent and absent at their own homes with the permission of the Captain Superintendent of Police on the recommendation of a Government Medical Officer or a registered medical practitioner.

Absence from duty on medical certificate beyond a period of twenty-eight days in any period of 12 consecutive months will be treated as full pay or half pay leave or leave without pay as the case may be.

4. All subordinate officers and constables of the Police Force shall go into hospital when ordered by a Government Medical Officer to do so, and remain in hospital so long as the Medical Officer in charge of the Government Civil Hospital shall direct and they shall obey the hospital regulations.

5. All subordinate officers and constables who are entitled to free quarters and all subordinate officers and constables whose salaries do not exceed £600 a year exclusive of allowances, may obtain free medical attendance and medicine for themselves, their wives and children in their homes when the Captain Superintendent of Police is satisfied that they are unable to go to the Civil Hospital for medical advice and treatment.

6. All subordinate officers and constables and their wives and children under 18 years of age are allowed the privilege of reduced fees when patients in the Government
