

For the purposes of this paragraph such periods of 3 years and 15 years need not be continuous.

Provided that the above mentioned minimum period of 15 years shall be reduced to 10 years in the case of a European nursing sister or matron who is compelled by ill-health, not caused by her own misconduct, to relinquish her overseas nursing career.

Provided further that, except in the case of ultimate retirement on account of illness, no such retiring allowance shall be payable until the nursing sister or matron reaches the age of 50; and provided further that the grant of such retiring allowance shall be dependent on the production to the satisfaction of the Secretary of State of certificates of satisfactory service in respect of each term of service and term of employment making up such minimum period of 15 years or 10 years, as the case may be, and that the total retiring allowance drawn by the nursing sister or matron from all sources in respect of Government service in the Colony and employment as aforesaid in the Colony and elsewhere shall not exceed the amount of pension which she would have drawn if her whole service and employment as aforesaid had been on the pensionable establishment of the Colony.

The provisions of this paragraph 10 will apply to all European nursing sisters and matrons in the service of the Government of the Colony on or at any time after 1st January, 1926.
