### Hong Kong.

#### The Air Navigation Directions (Hong Kong), 1932.

The following additional Direction is issued by the Governor under Article 30 of the Air Navigation (Colonies, Protectorates and Mandated Territories) Order, 1927.

#### Amendment.

In section XVIII of the Directions the following amendments are made:—

- (a) the words "Photographing from aircraft" are substituted for the words "Prohibited Areas" as the heading to Direction 115.
- (b) The following paragraph is added at the end of Direction 115:—

"Except with such special permission and subject to such conditions as aforesaid, all cameras carried in any aircraft must be sealed and placed in charge of the pilot while the aircraft is flying over any part of the Colony."
